SAFETY INSPECTION

INTRODUCING LCTA'S FREE FIRST LOOK SAFETY INSPECTIONS

At LCTA Workers' Comp, we're serious about safety in the workplace. After all, a safe work environment is good for employee productivity, helps reduce injuries in the workplace and can help lower insurance premiums.

That's why we provide our free First Look Safety Inspections to all new policyholders, regardless of their size. Benefits of this exclusive service include:

- Visits made to all new policyholders within 60 days.
- Full safety inspections that are equivalent to a mock OSHA audit.
- Highly qualified safety professionals perform the inspections.
- Customized to each company's specific safety needs and concerns.
- Inspect for all types of exposures, not just specific to workers' comp.

For more information on LCTA's First Look program, please contact the loss control department at 225.216.5968 or whatsright@lcta.com.
